## Work Experience

---

### UX/UI Designer • Illuminate Education

April 2018 - Present

Led the design process for an assessment builder web app. Interacted with product users to create personas and test focus groups. Presented UX focus groups at multiple regional meetings, including IEUC Michigan. Learned Vue and built out a fully functioning design system. Assisted developers in CSS polish work.

### Front-End Developer • Cal Spas

May 2016 - November 2017

Designed and developed a mobile-friendly, responsive layout for an e-commerce spa replacement parts website. Redesigned numerous outdated websites, including partner websites and email blasts. Updated and maintained Cal Spas main website. Created over 50+ custom sites for Cal Spas showcase retail stores.

### Junior Web Developer • Fit Body Boot Camp

June 2015 - November 2015

Maintained over 100+ Fit Body Boot Camp location websites using Wordpress. Designed banners & graphics for blogs. Created t-shirt designs for retail store purchases.

### Freelance Web Developer • Self-Employed

June 2014 - Present

Built custom-coded websites for clients using Wordpress and Squarespace. Created wireframes and mockups for a water bottle company. Setup an e-commerce site for an event space company using WooCommerce + Wordpress. Redesigned outdated sites to make them mobile-friendly and responsive.
